Two weeks before the course starts you will be invited to join a shared dropbox account, all the information will be placed there. You need your smartphone or tablet at the course.

Assignment associated with the Montessori **Introduction Study**

At the **start** you prepare a short presentation of yourself and your school. The content of the presentation:

- who are you?
- what is your motivation to join the Montessori Introduction Study?
- where do you come from (school, country, etc)
- what do you want to learn?

During the course you will learn a lot about Maria Montessori, you will be supported with final assignment.

At the **end** we will organize the final 'pitch', this is presentation from maximum 15 minutes. You can do this alone, or with groups.

The content of the pitch:

- who was Maria Montessori?
- the person
- the pedagogy
- the didactics
- the anthropology
- the education
- Connect the vision of Montessori with your own life and vision on education.

Reflection: What is the importance for you? What do you take home?
