

The International Montessori Teacher Studies

Program of courses

1. The Montessori **Introduction** Days 4 days
2. The Montessori **Teacher** Studies fundamental part 14 months

1. The Montessori **Introduction** Days comprise four days of sessions open to anyone who is interested. The goal is to inspire, learn and experience the fundamentals of Montessori theory and materials and to collect practical ideas for your classroom or at home. No assignments are involved. After the Introduction week you receive a Certificate of Attendance.

2. The Montessori **Teacher** Studies fundamental part Young Child (0 – 6 year) or Older Child (6-12 year)

This study is offered in 4 blocks of 50 hours each. You can follow the course through blended learning or on location (minimum of 12 participants). At least one of the blocks is in Amsterdam. The study involves webinars, assignments and self-study, student guiding by a personal coach, and a final exam on location. The goal is to deepen your knowledge and to become a Montessori Teacher. Required study hours are 200 hours, over 14 months. After completing the study, you receive the Diploma of the Montessori **Teacher** Studies by AVE.IK.
